New Beginnings

Happy New Year,

As this year draws to a close, we look back at the past year and forward to the New Year. The last couple of years have been challenging (to say the least). Now is the time to look forward with anticipation and excitement.

I am looking forward to new beginnings. Let's get started on making new memories. We will begin our activities on January 11th with our **Senior Breakfast**, with **Games** Thursday the 13th and **Coffee and Tea** on Friday the 14th.

The Calendar will be short but sweet this month but we will still remember our **January Birthdays** on the 19th and will (of course) have **Pot Luck Lunch** on the 26th. Check the calendar for times.

We have been fortunate to have free breakfast for a while but we are going to have to begin covering the cost of food so we will start charging \$4.00 again. If this causes a financial problem for you, come to me and we'll work it out. This is our biggest event and we don't want you to miss the fellowship.

The one new event we are going to try this month is Exercise. Barbara Lovell has agreed to lead us on Mondays so we can improve our figure (yeah right), weight and balance. Plan to join the fun (?) and get in shape. Check the calendar for time.

As the New Year flies by, we will start doing more travel and education but with the new strain of the virus, we will have to take the wait and see attitude. I am like you, just ready to go but "at our age" we need to be cautious. I plan to keep us entertained and active in the New Year so bear with me and let's see how much we can pack into each new month.

Thank you for all your help, support and understanding during the last years. See you soon.

Birthdays are Important

Many of us would rather forget our birthday but it is important to others. You touch the lives of your family and friends in ways you don't realize and we would like to honor you for just being you. Let's celebrate on January 19th at 1:30. You know I love to party.

Pot Luck Lunch is Back

If you're like me, I have plenty of sweets and fancy foods during the holidays. Let's get back to normal with plan home cooking at Pot Luck Lunch on January 26th at 12 noon. Plain and simple country cooking is the theme for this meal.
