

New Beginnings

Happy New Year,

As 2022 draws to a close, we look back at the last year and forward to the New Year. The last few years have been challenging (to say the least). Now is the time to look forward with anticipation and excitement.

I am looking forward to new beginnings. Let's get started on making new memories. We will begin our activities on January 12th with **Games** on Thursday and **Coffee and Tea** on Friday the 13th.

The Calendar will be short but sweet this month but we will start our weekly **Breakfast** on the 17th, remember our **January Birthdays** on the 18th and will (of course) have **Pot Luck Lunch** on the 25th. Check the calendar for times.

We have been fortunate to have breakfast for a low price but we are going to have to begin covering the cost of food so we will start charging \$5.00 again. If this causes a financial problem for you, come to me and we'll work it out. This is our biggest event and we don't want you to miss the fellowship. It seems everything is going up but we don't want to be a burden on anyone.

Barbara Lovell has agreed to continue our Monday exercise so we can improve our figure (yeah right), weight and balance. Plan to join the fun (?) and get in shape. Check the calendar for time.

As the New Year flies by, we will start doing more traveling. I am like you, just ready to go. I plan to keep us entertained and active in the New Year.

Birthdays are Important

Many of us would rather forget our birthday but it is important to others. You touch the lives of your family and friends in ways you don't realize and we would like to honor you for just being you. Let's celebrate on January 19th at 1:30. You know I love to party.

Pot Luck Lunch is Back

If you're like me, I have plenty of sweets and fancy foods during the holidays. Let's get back to normal with plan home cooking at Pot Luck Lunch on January 26th at 12 noon. Plain and simple country cooking is the theme for this meal.
