Just Because . . .

Just because we are not having breakfast does not mean that we can't enjoy the month of June. I have a lot of activities planned for us. All you have to do is read the newsletter, decide what you would like to do and pick up the phone to call me and sign up. The children will be using the building but that won't stop us. Take a look at the fun things in store this month.

The First Thing

Tuesday June 6th we will have a craft day where we will make a Macramé plant hanger. Let's meet at the Community Center Building and get to work. The time will be 9-11 AM and we should complete the project but if not we'll do it again the next week. There are more crafts this month too. Read on!!!!

Birthday Party

Next is our Birthday Party for all the members with June birthdays. It will begin at **1:30 on June 7th** and we will meet at the Firehouse for our gathering. Come participate in the celebration with cake, ice cream and snacks.

An Added Bonus

Missing Breakfast? Let's go to brunch on June 14 at 9 AM. We will head to the Sugar Kettle for Breakfast/Brunch. Bet you didn't know they serve breakfast from 7:30-10:30. Let's go try it and see what it's like. Call me (964-4995) if you want to go.

Want More? Let's Do Lupper

Never heard of Lupper? That's what we call a late lunch at my house. We will go to the Barnyard Buffet in Saraland for their Early Bird Special on June 21. We will leave the center at 1:30 to arrive there about 2:00. The special is from 2-3:30. I hear this is a good place to eat and it will be a fun trip. Sign up to ride the bus or let me know if you want to meet us there.

Pot Luck Picnic

Our annual Pot Luck Picnic will be held at the Firehouse **on June 28th**. We will eat at **noon** and I will furnish Pulled Pork, tea & lemonade. All you have to do is show up, bring a dish to go with my contribution and enjoy. The food is always good. Thank goodness for the use of the Firehouse since it is too hot to be outside. Come enjoy a meal and the fellowship.

I've Marked your Calendar for Craft Days

Each Tuesday from 9-11 AM we will be doing crafts at the Community Building. You already know about the Macramé day on the 6th, then on the 13 we will continue to learn more Macramé projects. Then on June 20th Vicki Dyess will show us how to create a Patriotic Wreath (we will prepare for 4th of July). On June 27th we will slow things down and do some Adult Coloring. It is restful and creative at the same time.

Game Day

We do enjoy our games on Thursdays from 12-3 PM, so we will continue getting together at the Community Center. The building has been refurbished and we are loving using it. Let's continue the fun and laughter during the summer. Come if you can.

Coffee & Tea with Me

It wouldn't be Friday without Coffee & Tea. We will continue meeting from 9-11 AM and enjoy snacks, coffee & tea and the conversation. Ladies, we will have to be aware there are children in the house with our lively conversations. Just keep it PG rated, OK? See you every Friday in June. You never know if there might be a surprise coffee trip in the works. You sure don't want to miss it.

Happy Father's Day

Anyone can be a father but it takes a special man to be a Dad. I am proud to know all of the Dad's in our program and appreciate their relationships with their children and grandchildren. I hope each of you have a wonderful day with family and friends. Happy Father's Day from me.

Exercise Continues

Even though the children will be here we will still offer exercise in the senior room. It will be each Monday and Thursday from 10-11. Come sit in a chair and exercise your body to the video's we have. You might enjoy it.

Just from Me

June and July are lonely months for me since we don't have breakfast. That is the reason I offer so many things to do. I encourage you to come see me and/or attend the June activities.

You all know that since the pandemic I have been a part-time director and with the help of Tina and Brooke things have been going great. My goal after the closure was to get our programs to get back to the pre-Covid participation. Thanks to y'all we have gotten things running smoothly.

I now plan to turn over the reins to someone else so that I can become a participant too. I heard the other day that "It isn't where you work, it's who you work with that makes a job worth going to everyday." That is so true. Tina and Brooke and Simon are great to work with and you folks are great. I love each of you and I hope you will continue to support our senior program

Just look for me at the next breakfast. I won't be the one that makes you listen to all the announcements and I may be the one that you have to shush.

Love y'all, Beryl
